WA5DTK

confirms contact with W9YT

Every amateur radio contact is a contact with a friend whether close or far away. I have made thousands of contacts (and friends) over my many years as a ham radio operator, but none is more important than the contact with you shown below. I would very much appreciate your QSL card to confirm our contact. 73,

Date	Time	RS/T	Band	Mode	My location
12 Feb 2015	1857	59	14.270	SSB	Pflugerville Texas USA
Many tnx for the school contact, Eddie. Would appreciate ur QSL to confirm it.					

73, Barry

Thank you for the contact.
